Classification and Wage Scale

For the Limited Energy Installer Apprenticeship Program

The Minnesota Statewide Limited Energy Apprenticeship Program uses the wage scale as defined in the Limited Energy Union Agreement. Wage rates listed below are in effect until September 30, 2010.

The rates listed are effective as of October 1, 2009

Installer Program

Period	Classification	Hourly Rate of Pay
1	Installer Level - 1	\$12.85
2	Installer Level - 2	\$14.44
3	Installer Level - 3	\$16.05
4	Installer Level - 4	\$17.65
5	Installer Level - 5	\$19.26
6	Installer Level - 6	\$20.87
	Journeyman Installer	\$22.46
The classification for apprentices completing the Installer Apprenticeship Program is Journeyman Installer.		

Technician Classifications

Classification	Hourly Rate of Pay
Technician	\$25.68
Senior Technician	\$28.88
Journeyman Technician	\$32.09
Foreman Technician	\$33.26
General Foreman Technician	\$33.85
There is not an indentured Technician Apprenticeship Program. Technician classifications are available only if qualifications are met and an offer is made and accepted as per the <i>Collective Bargaining Agreement</i> .	

Please note, the above wage rates do not include any benefits or deductions.
