

Continuing Education Credit Request for Renewal of Power Limited Technician License

If you have taken Apprenticeship classes, Continuing Education class, or taught at the Minnesota Statewide Limited Energy JATC, we can verify completion for the Minnesota State Board of Electricity. This verification is needed for your Power Limited Technician License renewal.

Please fill out this form and return it to our JATC with a copy of your current Power Limited Technician License. **Do NOT submit payment for your license renewal to our JATC. This fee will be due to the Minnesota State Board of Electricity.**

Student Information: (please print)

Name: _____

Address: _____

Phone Number: _____

Power Limited Technician License #: _____
